

## **Going for goals**

By Matthew Tyler 2011 ©

Every day I take a breath and think of where I'll be  
People say that times are hard for opportunity  
But I dream  
And I hope  
And I know  
I should still believe  
Time is ticking, now I'm sticking my head back in to work  
All the things I need to do make my head go berserk  
But I'll try  
And I'll fight  
Because now I know what's right

**Going for goals**  
**Going for goals**  
**Going for goals**  
**Going for goals**  
...Ohhh

Feed my mind and find the right direction from the start  
I can find the answer if I listen to my heart  
Take advice  
Think it through  
Make a plan  
to face the road ahead  
Keep my focus, channel all my dreams with energy  
Just remember I can be the best that I can be  
Think it now  
Know it's true  
Feel the joy  
Be the victory

**Going for goals**  
**Going for goals**  
**Going for goals**  
**Going for goals**  
...Ohhh
