

'FAREWELL CALYPSO'

from *The Journey* by Pete Churchill

It's almost time to say 'so long, farewell',
For every magic moment has its ending
And we're sorry that we have to break the spell

But we'll be back some day with tales to tell.
It's hard to say 'goodbye', no use pretending,
So just send us on our way and wish us well

But don't be sad, go dry your eye,
'Cause tomorrow is another day
And you can chase the blues away

Just remember what I say – this life is so much better
When you're saying 'see you later', not 'goodbye'
Just remember what I say – this life is so much better
When you're saying 'see you later', not 'goodbye'
