

# Studio Performance Opportunity Callout for Young Performers

## 4 July 2024

***Merton Music Foundation is looking for youth musical acts to feature at an event in Morden.***

### **Who**

We are looking for young musicians that live or go to school in Merton aged between 14 – 21 years old to perform at our Secondary Music Network event.

### **What**

We are open to performances in any style/genre, we want to hear a diverse range of performances.

Due to technical considerations, we are looking for small group acts with limited backline requirements (e.g. acoustic, singer/songwriter, rap group, duet, trio etc).

Each act will be asked to perform for around 10 minutes maximum. You could perform as little as just one piece.

### **Where & When**

You need to be available on Thursday 4 July between 4pm – 6pm in Morden.

The event will take place at Crown Lane Studio. Acts will perform from the Live Room with their performances streamed to event guests in the coffee shop space in the front of the venue.
