

How to Book an Audition

To book an auditions slot, you need to create an account on our membership portal called My NYCGB:

- Click here <https://my.nycgb.org.uk/> and select **Register**.
- **Complete the profile information.** You will add the parent/guardian name, address and email details. Then you will add the young singer's name, gender, school year and ethnicity.
- Next, click **Auditions** on the lefthand side.
- **Select “Merton Music Foundation event 2024 - by invitation ONLY”.**
- Complete the form. All time slots show as 11.30. Candidates should arrive promptly for the warm-up workshop which takes place from 11.30-12. The auditions will take place in the time between 12.15-3.15pm. Each audition lasts 15 minutes. Slots will be allocated on the day.
- We are able to offer all workshop auditions for free, thanks to generous support from our funders. At the bottom of the screen, tick the box for Financial Assistance to bypass the payment screen.
- Once you have booked, you should receive an automatic confirmation email from the booking system. We will also be in touch nearer the time to summarise details for everyone.
