

DIG DEEP!

Music & Lyrics by Pete Churchill

VERSE 1

Funny how life can pass you by,
Here and gone in the blink of an eye.
And we only get one chance to fly –
Before it slips away.

You wonder where the years all go...
Years that seemed to move so slow.
I wish I knew then what now I know...
Make the most of ev'ry day...

CHORUS

You got to Dig Deep!
It's within you.
A fire inside your heart.
If you're lookin' to find the strength to continue,
That's where you've got to start.
You got to Dig Deep!
Find the power
To carry you on your way.

Think of all of the things that you said you'd do
And remember the change has to come from you.
Plant a seed, let it grow -
Ev'ry seed that you sew...
You will surely reap.
But you got to Dig Deep.
Dig Deep.

VERSE 2

Why be burdened with regret
When the race of life isn't over yet.
You've got to take ev'ry chance you get
Don't be afraid to try.

Got to seize the day and don't look back
Face your fear and take up the slack,
Lift your head - look down the track,
Soon you're gonna fly...

CHORUS....

You got to Dig Deep...
Dig Deep... (Repeat ad-lib)

BRIDGE (on cue...)

You can't buy it in a **bottle...**
You can't get it on the **street...**
It's a natural high
That money can't buy
That gets you on your **feet!**

Can't buy it over the **counter...**
You can't get it off the **shelf...**
'Cause the stuff that you need
To help you succeed
Is deep inside **yourself...**

CHORUS

You got to Dig Deep!
It's within you.
A fire inside your heart.
If you're lookin' to find the strength to continue,
That's where you've got to start.
You got to Dig Deep!
Find the power
To carry you on your way.

Think of all of the things that you said you'd do
And remember the change has to come from you.
Plant a seed, let it grow -
Ev'ry seed that you sew...
You will surely reap...

CHORUS (modulation!!)

(But) You got to Dig Deep...Dig Deep. (Repeat ad-lib)
