Merton Music Foundation is looking for (an) enthusiastic and engaging tutor/tutors to lead KS2 Music lessons to whole-class groups of pupils as part of a local primary school's PPA cover rota. Whilst most lessons will be supported by a TA, this three-form entry school is unable to provide support for every class and as such this role would be best suited to an experienced classroom practitioner. Lessons will be delivered in-line with COVID-19 mitigations. A large range of instruments/resources are available in a dedicated teaching space along with professional development opportunities and support from our team of specialist practitioners. Two full days of teaching is required, which could be split between two successful candidates. Previous large group or whole-class primary teaching experience is essential, QTS is highly desirable.

Merton Music Foundation (MMF) is an independent music service and lead partner for the Merton Music Education Hub. The charity is nationally renowned for providing high quality, comprehensive and inclusive music education programmes for the young people of Merton and surrounding areas. Further details of our activities can be found on our website: www.mmf.org.uk
