

TIME TO REMEMBER

Verse 1

Try to imagine
A world without war
It's a song we've all sung
A tale we've told before

Soon we'll start to wonder
How we came to be here...

Verse 2

Try to imagine
A place we can go
Where the river can run,
And we can lay down low

Soon we'll start to wonder
How we came to be here...

CHORUS

WE CAN TRY TO CHANGE THE FUTURE
BUT WE'LL NEVER CHANGE THE PAST
IF WE SAVOUR EV'RY MOMENT
THEN OUR MEM'RIES WILL LAST
TAKE THE TIME TO REMEMBER
TIME TO STOP AND SAY
THAT WE ONLY HAVE TOMORROW
'COZ THEY GAVE US THEIR TODAY

Verse 3

Try to imagine
A time we've all shared
Where the road up ahead
Can leave us feeling scared

Soon we'll start to wonder
How we came to be here...

CHORUS

WE CAN TRY TO CHANGE THE FUTURE
BUT WE'LL NEVER CHANGE THE PAST
IF WE SAVOUR EV'RY MOMENT
THEN OUR MEM'RIES WILL LAST
TAKE THE TIME TO REMEMBER
TIME TO STOP AND SAY...

Bridge

We are the voices of tomorrow
Never let them fade away
We are the voices of tomorrow
Never let them fade away

[Time to remember]

We are the voices of tomorrow

[Take the time to remember]

Never let them fade away

[Time to remember]

We are the voices of tomorrow

[Take the time to remember]

Never let them fade away

[Time to remember]

We are the voices of tomorrow

[Take the time...]

ALL: NEVER LET THEM FADE AWAY

CHORUS

WE CAN TRY TO CHANGE THE FUTURE
BUT WE'LL NEVER CHANGE THE PAST
IF WE SAVOUR EV'RY MOMENT
THEN OUR MEM'RIES WILL LAST
TAKE THE TIME TO REMEMBER
TIME TO STOP AND SAY...
THAT WE ONLY HAVE TOMORROW
WE ONLY HAVE TOMORROW
WE ONLY HAVE TOMORROW
'COZ THEY GAVE US THEIR TODAY
